What is the 10-4 service?

The 10-4 service from Bell empowers your team to use their cellphones as walkie-talkies for immediate communication. In fact, the 10-4 service gives you an all-in-one communication tool – cellphone, walkie-talkie, with data capability. Plus, it’s a service that allows you to talk to one or to many 10-4 users at once. **10-4...it’s a new way to talk.**

What you need to get started:

- 10-4 service enabled cellphone
- 10-4 service plan
- Other 10-4 users to talk to

There are 4 cost effective ways to purchase the 10-4 service – just pick the one that meets your business needs.
